

Ways in which the EGU and EWGA have used the Golf Club Membership Questionnaire data so far.....

- The production of the EGU/EWGA Junior Organiser's Handbook to support and improve junior practices.
- Support for junior coaching and activity through the EGU/EWGA National Skills Challenge.
- Identifying specific junior personnel (Child Welfare Officers) and supporting their roles.
- The production of the EGU/EWGA Recruitment & Retention Toolkit for Golf Clubs.
- The development of flexible membership packages and best practice examples.
- Funding for adult activity through the EGU/EWGA Club Coaching Grant to support decreasing memberships.
- Data to support accessing funds for activities for Priority Groups.
- Specific support for Women and Girls golf.
- Data has been included within the EGP 'Whole Sport Plan' submission to Sport England to gain funding to support the game.
- Production of county and regional information to support development at a local level through County Golf Partnerships.
- Provides golf clubs with statistics to compare themselves to and assess their health and progress.
